

JIM "DOC" DOUGHERTY

Men's Skill – 2010

"Doc", 50, was one of the most dominate bowlers from late 1970 until the early 1990's. His bowling league averages were consistently in the 210+ range and he had the highest in the Oklahoma City area 5 years. His 233 league average in 1989-90 was one of the first 230+ averages in OKC. Though he bowled in leagues for over 25 years, his dominance came in Sweepers, Jackpot bowling and marathons as well as Singles Tournaments. Whether bowling in the weekly Planet Doubles Sweeper or 20 Game Marathons at Windsor Lanes or Boulevard or in Las Vegas Sweepers, Doc's game would rise to another level. The more games, the better he got. He was the Las Vegas High Roller Champion in 1987 earning him \$200,000. He was Super Bowl High Roller Runner-Up in 1990 and has been victorious in numerous sweeper events in Las Vegas, NV. Doc won the Singles Event and All Events titles in the 1980 Oil Capital Open in Tulsa. He has OKC and State wins in Team, Singles and Doubles and won the Rick Stewart Classic 4 times. Doc finished third in the Team Event at the 1986 ABC National Tournament in Las Vegas as well. For his dominance in tournaments and outstanding league play in Oklahoma City, it is the Oklahoma City Bowling Councils pleasure to induct Jim "Doc" Dougherty into its Hall of Fame.
