

DORIS ENOS

Women's Service – 2007

Born in Grady, Oklahoma, Doris moved to Oklahoma City in the mid 70's and began bowling shortly thereafter. Her friendly, kind, pleasant personality got her elected as a league Officer to each league she was a member. She joined the Oklahoma City 500 Club and was its Vice-President for 6 years. In 1995 she was elected to the Oklahoma City Women's Bowling Association and she began to shine. She was an excellent fundraiser and would work each squad of the Women's Championships. She could usually be spotted at the registration tables at both City and State Tournaments. During her tenure with the OCWBA, she was Chairperson for several committees and was a Delegate to City, State and USBC National Conventions. She became friendly with her fellow delegates at the 2002 WIBC Convention in Reno, Nevada. In 2003, Doris was forced to retire due to the health of her husband, Troy of 60 years. In 2004 the Women's Association elected her Member Emeritus so she could hold her office for life. She and Troy have 4 married children, 9 grandchildren and 14 great-grandchildren. Doris felt it was an honor and privilege to have served with so many great bowling friends, but the OKC Bowling Council feels it is an honor and privilege to induct Doris Enos into its Hall of Fame for her service.
