

LOIS RIGGAN

Women's Service - 2018

Lois Riggan, 79, was born to hard working Christian parents in Oroville, California. She was the youngest of 5 children. Lois's family moved to Midvilleberg (near Chickasha) in 1944 and later to the OKC area in 1958. At the urging of a family member, Lois began bowling and became a league Secretary in 2001. She married her bowling partner, Henry(Bus) Riggan in 1977 and he was her number one supporter. He teased her by asking if 80 hours a week of bowling wasn't a bit much. After Bus's death in 2007, Lois threw her attention into bowling service, doing more and more, serving as team captain, Secretary/Treasurer 13 years, both summer and fall leagues for 3 different leagues in 2 different houses and continues that today. She gives 110% to the bowlers with her kindness, commitment and loyalty. The leagues have grown under her tenure and people are coming back to bowling that hadn't bowled in years. She is extremely conscientious as a bookkeeper and is always striving to make sure everything is correct and fair to all her bowlers. She attended 9 or 10 National WIBC Tournaments and even cashed once. Her love is to keep seniors active bowling and interacting with each other. Lois is the "go-to" person and if anyone needs anything, it's "see Lois". For these wonderful traits and her excellent and conscientious service the Oklahoma City Bowling Hall of Fame inducts Lois Riggan into its Hall of Fame.
