Debbie has been a sanctioned bowler for 34 years and is going strong! Always a smile, always a hello, she is one of the hardest workers in the OKC Women's Bowling Association. She has represented the Association as a Delegate to numerous State and National meetings and leads by example diligently promoting Women's bowling in the OKC area. While a member of the OCWBA, she has served willingly on several committees. She was very prominent on the committee that hosted the State Jamboree, bringing prestige and money to the OKC area. Her other committee work along with her league and tournament participation shows her passion for the sport of bowling. Debbie has been a team captain and officer in many leagues. She has been on the Board of Directors for the OCWBA for 13 years. She has been an instructor for YABA and in 1994 at Bowling Green Center helped organize a deaf league from Metro Tech. She was appointed to the State Association Board of Directors in 2003 and instantly began working on several committees. Her personality and friendly demeanor makes her an excellent teammate, but she's a pretty good bowler as well. Her high Average is 189, high Series 693, and high Game 279. She has Two 1<sup>st</sup> Place finishes and Three 2<sup>nd</sup> Place finishes in the Women's City Tournament.
