

H.M. "VOL" VOLENTINE

Men's Service – 1987

Vol has been a sanctioned bowler in the Oklahoma City area for 28 years. His many, many years of dedicated service to league and association affairs of the Oklahoma City Bowling Association is an example of his ability as an excellent organizer and ability to get along with people. He was voted life member of the City Association in 1983. Since 1959, he has served the City Association as a Director for 18 years, 6 years as Vice-President and 1 year as President. He served on the Bowling Council in 1977-78, their charter year. He was on the committee that drew up the Council's constitution and By-Laws. Since then he has served on the Council and the Nominating and Screening Committee several times. In July of 1984, he became a Certified Lane Inspector by ABC. Vol is one of those that is truly liked by all. Because of his untiring contribution to the bowlers of OKC, we proudly induct H.M. "Vol" Volentine to the Oklahoma City Bowling Hall of Fame.
