He co-founded the popular OKClassic Bowling Tournament in 1991 and was Director many years and it's still running strong! He was Co-Director of OKC IGBO '94 (an International tournament) as well as a longtime statistician for many tournaments. He was presented the Wes Thompson Leadership Award from the Oklahoma State USBC Association in July 2022. He has been Association Manager since January 2018, and wants everyone to know that he works for them and is available for whatever they may need.
