300 GAME/800 SERIES AWARD RING

## STEP 1:

### Choose your style

Choose either the large or small style which will highlight your score, the season bowled and the USBC logo on one side of the ring with the pin splash design on the other.

### Choose your metal

Whether you choose the durability of Siladium®, the lasting beauty of gold or Golden Siladium that provides you the benefits of both, your award will always reflect the greatness you have achieved.

## STYLE

### LARGE

300 Game

800 Series

### SMALL

300 Game

800 Series

## METAL

**SILADIUM®**  
Siladium® is a fine jeweler's stainless steel that polishes to a silver-colored luster. This white metal is both strong and durable, lasting you a lifetime.

### GOLDEN SILADIUM

Golden Siladium looks like karat gold, but without the price. It offers you the same durability as our Siladium® metal.

### 10K OR 14K GOLD

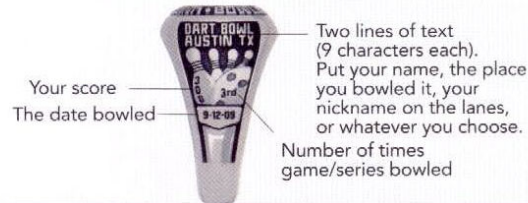

Gold has been the standard in recognizing achievements. Order your ring in 10K or 14K gold and take advantage of our **interest-free payment plan** with \$70.00 down and 7 installments.

## STEP 2:

### Choose your side personalization

Personalize your award for just \$20. Use 9 letters per line to show your name, bowling center, scores of individual games (for 800 series) or any text of your choice. In addition, you can show the date this award was bowled and the number of times you have bowled it.

### PERSONALIZED DESIGN

### NO PERSONALIZATION

## STEP 3:

### Choose your top design

Select a gold-inlaid stone, a semi-precious stone panel, a diamond pavé panel, or the signet panel to add the crowning touch to your achievement.

*Extra charges may apply.*

### SIGNET PANEL - STANDARD

Make your score center stage in this design that features "300" or "800" in brightly polished metal on a textured background.

### GOLD-INLAID STONE

A beautiful simulated garnet or amethyst stone with 300 or 800 accented with white or yellow gold.

### SEMI-PRECIOUS PANEL

A lab-created ruby or genuine amethyst with a white topaz trillion represents your bowling ball taking aim at a 10-pin.

OTHER AWARD OPTIONS

### Put some sparkle in your strike

For those looking for something different than the traditional USBC high score award ring, you can choose from the Majestic ring or the brand new USBC Pirouette Pendant.

### MAJESTIC SERIES

This ring features an elegant design around a marquise cut stone, flanked with a diamond pattern on the sides of the ring. USBC appears on the left side of the ring and your award will appear on the right side. Your first initial, last name, the date you bowled and your score are engraved into your ring.

### PIROUETTE PENDANT

This unusual pendant features a center disk that spins, surrounded by sparkling diamonds. Your score, date and number of times you've bowled this score appears on one side and the USBC logo appears on the reverse side.

### Add some style to your game

Classic, practical and stylish, the new USBC high score award jacket is a beautiful wool coat that you will wear with pride.

This stylish, all wool coat is fully lined and features the USBC logo finely embroidered with your high score award on the right.

The right side of your jacket will feature two lines of embroidery with the wording of your choice.

Interested in purchasing a different award ring? We have additional rings available to commemorate your bowling achievements, including rings for 11-in-a-Row, 299 Game and 298 Game. Please visit [www.bowl.com](http://www.bowl.com) for all your bowling award needs.
